### AMENDMENTS TO THE CLAIMS

This listing of Claims will replace all prior versions, and listings of Claims  
in the subject Patent Application:

#### Listing of Claims

Claim 1 (Cancelled).

Claim 2 (Previously presented): A white light emitting organic electroluminescent  
organic (EL) device comprising:

a substrate;

an anode formed on said substrate;

at least one hole transporting layer formed on said anode;

at least one luminescent layer formed on said hole transporting layer,

wherein a first dopant is doped into said luminescent layer;

at least one electron transporting layer formed on said luminescent layer,

wherein a second dopant is doped into said electron transporting layer; and,

a cathode formed on said electron transporting layer;

wherein a first light is emitted by said first dopant, a second light is emitted
